## MASTER YOURSELF, INSPIRE PERFORMANCE

The Leadership Development Programme is designed to help leaders and senior managers advance their leadership skills and build their capacity to lead successful change.

Through robust leadership frameworks and exercises, you will gain insight into the mindset of high performance leaders, and learn to tap into your own strengths to influence and lead with impact.

You will explore different facets of leadership, such as how to inspire and motivate teams, build commitment and manage resistance to change.

## EXECUTIVE LEADERSHIP COACHING

The programme incorporates small group and personalised coaching from professional facilitators, supported by inputs from a pre-programme 360 degree leadership assessment and a behaviour profiling instrument. You will develop a personalised action plan for your continued development, post-programme.

## CORE FOCUS

- What makes a leader
- Managing self and influencing others
